

## **TIB and FMSIB Sponsoring Local Agency Consultation Meetings with BNSF and UP Railroads**

BNSF and UP are providing consultation meetings with local agency customers of TIB and FMSIB in October. If you have current or future capital projects that effect BNSF or UP right-of-way or facilities, you can get valuable advice about design requirements and review processes.

Consultation meetings will be held at The Davenport Hotel in Spokane on October 9, 2007, and are co-located with the Washington Chapter APWA Fall Conference. The hotel is located at 10 South Post Street, with the meetings taking place in the Cutter Room. Consultation meetings are usually 30 to 40 minutes. Meeting times will be determined by the number of requests received.

To schedule a consultation meeting, please contact Eileen Bushman at [eileenb@tib.wa.gov](mailto:eileenb@tib.wa.gov) by September 12. Please include:

Name

Title

Agency

Phone

Email address

Project name

Briefly describe project relationship to BNSF or UP facilities
